

Fulfilling the Prophecy: Uniting the Condor & Eagle

March 19-23, 2007
Lake Titicaca, Peru

Bridging the

Americas

Peruvian Inca prophecy states that all the Americas were once united by common spiritual traditions and that they will be again. NOW.

The North American Eagle will again fly with the South American Condor and peace will reign throughout the Americas. The Inca Pachacuti—World Transformation— began in 1992.

The prophesied Age of Peace is nearly here! **Help us make this a reality. We are calling forth all the American tribes as well as all our brothers & sisters throughout the world to join us.**

At the Spring Equinox of 2007 at 7pm EST, under auspicious cosmic influences, Elders from North, Central and South America will gather at Lake Titicaca for special rituals and ceremonies to fulfill the prophecy. **Join us at Lake Titicaca or unite with others at vortex points on the world**

grid to manifest peace in the Americas & throughout the world. Part of our ceremony will be to assist in the reactivation of the Great Solar Disc at the bottom of Lake Titicaca, which became dormant in 1492, the beginning of the Dark Age. Now, after 500 years, its rays will once again uplift the Americas! Sit is also time to reopen entrance to the Pan-American tunnel system that unites all the Americas ! The entrance is at Lake Titicaca!
